**Rules:**

- Each scoring individual weighs the merits of the project separately
- Totals are averaged
- Number on committee: 3
- If any committee member is involved in the proposal or has a relationship with the applicant or partnering individual, they must recuse themselves and a new member must come in
- Tie-breakers - by discussion of committee
- Scores under 40, automatically "would not recommend"
- Scored of 100, automatically "would recommend" as long as funding exists
- 2 or more votes of "I would not recommend funding this proposal" deems the proposal unfunded

**Actions:**

- Send results to teacher applicant, CC CS coordinator associated if applicable
- Under 40, and other non-recommended projects gets connected to the CC Team for further project development - we want your project to succeed! We're happy to help!
